# Active Transportation

February 18, 2009 5:30 - 7:00pm

*Reception to follow*

Mansfield Center/St. Vincent Healthcare

We will be hosting the Rails to Trails Conservancy from Washington DC to have a dialogue about the many benefits of active transportation including:

- Healthy Lifestyles**
- Environmental Benefits**
- Reduction of Traffic Congestion**
- Physical Activity**
- Energy Independence**
- Safe Routes to School**
- Community Trails**

The Mansfield Center is located in the southwest corner (garden level) of the Yellowstone Medical Building, 2900 12th Avenue North, on North 30th across from the Ronald McDonald House.

For additional information contact Mayor Ron Tussing at 690-9561
